

Do you know that most DUI offenders need Interlock?
Do you know that you may be able to drive during your suspension?

Allegheny County Ignition Interlock is here to help you!

Call Us at 412.931.6107

Our experience will help you get through the DUI process quickly.

Why use our program?

- No hidden fees!!!
- Our garage specializes in Interlock
- We are staffed with experienced personnel
- We will guide you through you DUI requirements
- We work directly with the Court, PennDOT, PA DUI Association and the Department of Court Records

Other garages:

Some shops offer discounts or free installation but will charge additional fees

Other programs send mass mailings to DUI offenders without having any knowledge of you or your eligibility

If you have the device installed at another location, we cannot help you

Interlock Requirements:

- If you receive ARD, you can drive with interlock during your suspension
- All other DUI license suspensions may require an ignition interlock device for a period of 12 months
- If you refused a blood or breath test, you are required to have an ignition interlock device for a period of 12 months

Prepare by calling Allegheny County Ignition Interlock
